GROW WITH US!

Kerala's fastest growing stored energy suppliers
committed to provide top products at a competitive price
Kerala's fastest growing stored energy.

Authorised Distributor of

BATTERIES | UPS | TESTERS | CHARGERS | TROLLEYS | SOLAR PANNELS

ELECTRO LINKS
SINCE 1986

SINCE 1986

Since 1986. Electro Links is a leading dealer and distributor of batteries, UPS and related products. Over the years, we have become Kerala's fastest growing stored energy suppliers committed to provide top products at a competitive price.

We can supply products suited for a range of applications.

From UPS battery banks to car batteries, we have everything related to stored energy products. We are always charging ahead to give you the best and innovative solutions for your needs.

We have branches at Kozhikode and Kannur with extensive sales network in north Kerala. Our head office is based in Kozhikode with a 5000 square feet storage and garage space. We also have battery testing centre and is an authorised service network member for leading brands like Exide and Microtek.
